Getting The Loan You Want On The Best Possible Terms

Brett Nicholson has 15 years experience in banking and finance with leading global financial institutions within Australia, America and Europe.

He holds a Bachelor of Economics; a Masters of Business Administration, completed in the United States as well as industry recognised certificates in mortgages and commercial lending.

Service-Single Point of Contact

With banks cutting costs over the last 10 years, services to small businesses and home loan lenders have diminished.

Brett set up Melbourne Financial Group because he believed there was a strong need to give customers the service they required.

MFG provide a single point of contact. The same personal finance manager will continue to service your lending requirements as they change over time.

Customer Pays No Fees

A Mortgage or Finance broker is a must for anyone seeking a loan. You do not pay any fees to Melbourne Financial Group for their service. MFG act in your best interest at all times to provide the best quality service and find the most competitive loan products to match your needs.

With the volume of loans transacted through the broker market expected to double over the next several years, finance and mortgage brokers are going to continue to play a vital part in Australian's financial future.

Who is Melbourne Financial Group?

Melbourne Financial Group is an accredited Finance Company that specialises in personal and business lending.

This includes home loans, investment property loans, personal loans, debt consolidation, refinancing, motor vehicle loans, business & commercial loans, hire purchase and leasing as well as rural lending.

We can help everyone, those with regular salaried employment, the self employed or even the credit impaired.

We also provide solutions to customers with no genuine savings, no proof of income or no deposit.

Credibility

MFG is a full member of the Mortgage Industry Association of Australia, the regulating body for the industry.

It is essential you confirm your broker is accredited with the MIAA. They ensure brokers work with integrity on your behalf.

MFG is also accredited with commercial and corporate arms of Australia's leading banks as well as second tier lenders.

Home Loans

MFG offer a range of options for structuring your lending arrangements.

This includes home loans for first home buyers and refinancing, investment loans and, construction loans. MFG has relationships with over 35 lenders and access to 100's of products.

In assessing you situation there may be potential to rearrange your lending to reduce

your payments or provide you with greater flexibility to pay your loan off sooner.

This may free up funds that you can invest to build your future.

Commercial Loans

MFG offer a range of options for structuring your commercial lending arrangements including loans for: Business; Franchises; Leasing and Hire Purchase; Retail Premises; Industrial and

Property Developments.

MFG will manage your requirements whether you are a sole proprietor to a small to medium business or seeking advice for large corporate banking requirements.

They can assist you with debt consolidation, refinancing, restructuring or planning for growth. MFG's experience in corporate banking can assist you in servicing even the most complex

deal.

MFG seeks to build relationships with our commercial customers offering long term advice to service your financial needs and to continue to work with you as your business changes and grows overtime.

If you are considering a review or change to your lending arrangements call Brett Nicholson at Melbourne Financial Group.
